

Cindy Vaughan Kerr '71 and Guy H. Kerr '71

2016 Highlander Awardees

Every time there is a need for someone to step up and take on a leadership role in HPISD, Cindy and Guy can be counted upon to take on the task. Cindy has been a PTA president at both Hyer and HPHS and was an integral part of the formation of Mad for Plaid; serving as a chair of that fund raising effort for two years. From being in charge of the prom, to bringing a police officer to the high school, to planning Baccalaureate and Graduation, Cindy was willing to help wherever needed. Guy was a part of the founding of the Highland Park High School Alumni Association and was the second president of that organization. He helped set the standard that created the success that is the hallmark of the Association today. He served on the HPISD Board of Trustees from 1995-2001. Most recently, Cindy and Guy took on the huge task of recruiting, placing and managing the volunteer army for the HPISD Centennial celebration. They made each and every volunteer feel valued and appreciated for their time invested in producing that huge event. Their commitment to HPISD spans more than 50 years from being high school sweethearts to leading the volunteer effort for the hugely successful HPISD Centennial celebration.
